

## Eviction Resolution Pilot Program: Dispute Resolution Center Update January 2023

You guys have been great to work with. You are non-judgmental and kind and caring.

### January Outlook/Update

While ERPP partners begin preparations for the program's sunset on June 30th, demand for services remains high. Pay or vacate rent notices have been fairly steady since August, with local variations impacting the total such as increased Pierce County notices in January. In addition to the core issue of rent owed, which ERPP was designed to address, DRCs help landlords, property managers and renters resolve their related communication concerns to improve the stability of the landlord/tenant relationship. Participants also benefit from help accessing local resources and negotiation around other aspects of the renter-property owner relationship in addition to resolving rent disputes.

In January, statewide ERPP case volume increased compared to the previous month (fig. 1).

- King and Pierce Counties generated 50% of the total ERPP January notices received statewide.
- Half of the DRCs experienced an increase in volume in January.
- The average statewide tenant response rate was 55% for cases closed in January.

As rental assistance drops from \$675 million in 2020-22 to approximately \$40 million per year in 2023-24, DRCs are adjusting to help tenants and landlords navigate reductions in assistance. They expect clients to take longer to solve disputes and the rates of agreement to start declining somewhat as rental assistance resources diminish and leave fewer options to support resolution.

- Current median case duration measured during the November 2021 to January 2023 period was 29 days and cases that required more intensive services, such as mediation and conciliation, took a median of 48 days to close as the participants worked toward resolution.

**As of January 31, 2023, the DRCs reported the following on cases closed since the program's launch in July 2021:<sup>1</sup>**

- The ERPP Notices received represented a combined total of **134,475** tenants and landlords. Many of these are quickly resolved without a certificate of participation needed, for example with current-month rent paid within a few days, assistance through information and referral, or with rental assistance. DRCs provide additional dispute resolution services for the remaining cases.
- DRCs also help parties with housing disputes in cases where the landlord does not want to issue a notice or tenants request conflict coaching without involving the landlord. More than 2,400 people have been served directly through this voluntary participation in DRC landlord-tenant services.
- **62,404** cases were closed and completed (depicted by service type in figure 2); and **26,337** certificates were issued.<sup>2</sup>

Entry into the ERPP process typically starts with Information & Referral and/or Conflict Coaching services. Once DRCs provide information and support, many of these cases may be resolved directly between tenant and landlord, or with rental assistance, without further involvement of the DRC needed. Often after receiving referrals the parties do not report an outcome to the DRC. The outcome is known for 45% of Info & Referral service cases and 62% of Conflict Coaching cases. Parties may also move through those stages and/or opt into Conciliation and Mediation services from the DRC.

<sup>1</sup> A few early cases may fall outside of ERPP due to cases covering rent owed from months prior to attestation (see Proclamation 21-09).

<sup>2</sup> Note the volume of cases closed at any given time is lower than the total number of ERPP notices received by DRCs. Some notices are for cases currently in progress. In some cases a landlord may issue more than one notice to a tenant and those may be combined into a single case to support client service. Additionally, some current month's rent notices are resolved upon confirmation of rent payment before a case can be opened.

“

You and everyone in your office has always been extremely helpful, for that I am very grateful.

”

- The overall settlement/agreement rate was **76%**.<sup>3</sup>
- Where outcomes were known, DRCs reported that in **94%** of mediations and conciliations the tenancy was preserved upon case closing.
- **524** tenants were served using an interpreter due to clients' limited English proficiency or preference.
- **3%** of tenants had legal representation during the conciliation stage and **8%** of tenants had legal representation during formal mediation. DRCs provide legal resources information to all tenants and facilitate access to legal aid where requested by the tenant.

Demographics of the ERPP clients surveyed statewide during July 2021 through January 2023 were the following:<sup>4</sup>

- Race/Ethnicity: 55.3% White; 21.7% Black/African American; 7.1% Other; 4.7% Native Hawaiian/Other Pacific Islander; 4.0% Multiracial; 3.7% Asian; 3.0% American Indian/Alaska Native; 0.6% Indian/South Asian.
- Non-Hispanic or Non-Latino/a: 28.7%; Hispanic or Latino/a: 7.8%; No Response: 63.5%.
- Annual Household Income: 43% was at or below 100% of the Federal Poverty Level (FPL); 31% was at 101-200% of FPL; 16% was at 201-300% of FPL; 10% was above 300% of FPL.

“

Multiple times this month we have received calls from tenants...they all expressed gratitude that someone from the DRC took time to respond to their call and help with their uncertainty and stress in even a small way.

”

<sup>3</sup> The rate is based on cases where the outcome was known, such as in conciliations, mediations, and where the DRC was notified that the dispute was resolved through rental assistance.

<sup>4</sup> Excludes “No Response” and “Unknown” categories, except for Hispanic/Latino Origins, which includes “No Response.” Percentages may not sum to 100 due to rounding.

## Eviction Resolution Pilot Program: Wenatchee Valley Dispute Resolution Center Update

*serving Chelan & Douglas counties*

### December 2022 & January 2023

*The Eviction Resolution Pilot Program is a proactive method for helping landlords and tenants resolve nonpayment of rent cases through rental assistance, dispute resolution, and legal aid. The landlord and tenant may be able to access rental assistance, work out a payment plan, or create a plan to move out without an unlawful detainer action.*

#### Summary

Wenatchee Valley DRC experienced **high case volumes in December and January**. Some cases were repeat cases due to the property managers needing to re-issue pay-or-vacate notices from 14-day to 30-day. **Rental assistance** continued to be available throughout the past two months for tenants in Chelan and Douglas counties. In cases where landlords and tenants have taken advantage of free mediation services, the **settlement rate averages 84%** while **tenancy preserved** (where outcome is known) is **96%**.
